

AD1509

- Durable Adamas® Tech: High-level cut protection that remains stable after extensive use and multiple washes.
- Low-Metal Comfort: Hypoallergenic liner with reduced metal content, offering superior comfort over standard HPPE.
- Anti-Fatigue Grip: Breathable nitrile foam coating provides an excellent feel while minimizing hand strain.
- Smart Upgrades: Selectable functions including Touchscreen compatibility and Thumb Crotch Reinforcement.

Technical Feature	Specifications
GAUGE	15 Gauge
LINER MATERIAL	Adamas, Tungsten, Nylon, Spandex, Polyester
COATING MATERIAL/FINISH	Dumax® Nitrile Foam
SIZE	7/S – 11/XXL
CERTIFICATIONS	ANSI CUT A9, EN388 (4X43F), CE Cat II, UKCA, EN407 (X1XXXX), OEKO-TEX Standard 100, Food Safe (Glass/Fork Symbol), Sanitized, Dermatest Excellent, TUV SUD
APPLICATION	Sheet Metal Manufacturing, Glass Industry, Automotive, Maintenance, Metal Fabrication, Mechanical Assembly, Heavy Duty Rigging
MOQ	6,000 Pairs
