

AS1505F

- Patent Adamas® Tech: Durable high-level cut protection that stays stable even after multiple wash cycles.
- 100% Pure Fiber: No glass fiber or metal materials; hypoallergenic and more comfortable than standard HPPE.
- Double Full Coating: Double-dipped sandy nitrile fully coating provides superior 360° grip and abrasion resistance.
- Customizable Upgrades: Optional features include Touchscreen compatibility and Thumb Crotch Reinforcement.

SPECIFICATIONS	DETAILS
GAUGE	15 Gauge
LINER MATERIAL	Adamas, Nylon, Spandex, Polyester
COATING MATERIAL	Double Sandy Nitrile Fully Coating (Waterproof & Oilproof)
SIZE	7/S – 11/XXL
CERTIFICATIONS	EN388 (4X42E), ANSI CUT A5, EN407 (X1XXXX), CE Cat II, UKCA, OEKO-TEX Standard 100, Sanitized, Dermatest Excellent
APPLICATIONS	Heavy Steel Industry, Glass Manufacturing, Automotive, Wet Maintenance, Metal Fabrication
MOQ	6000 Pairs
