

# D5000

- Superior Chemical Defense: Advanced barrier protection against a broad spectrum of acids and hazardous chemicals, including Nitric Acid, Ammonium Hydroxide, Sulphuric Acid, Sodium Hydroxide, Hydrogen Peroxide, n-Heptane, and Formaldehyde Solution.
- High-Traction Grip: Specialized anti-slip design ensures a secure grip and maximum tactile sensitivity in both wet and dry environments.
- Extended Protection: Features a long-length safety cuff for expanded forearm coverage and an ergonomic design for effortless donning and removal.
- Hypoallergenic & Safe: 100% Latex-free construction to eliminate the risk of Type I allergies and ensure worker comfort.

SPECIFICATIONS	DETAILS
TYPE	Powder-free, Non-sterile (Medical Grade)
MATERIAL	100% Nitrile (Latex-Free)
TEXTURE / FINISH	Fingertip Textured (Enhanced Grip)
THICKNESS	Finger: 0.11mm (4.3mil) / Palm: 0.06mm (2.4mil)
SIZE	XS – 2XL
CERTIFICATIONS	FENTANYL TESTED, EN455, EN374 KPT, EN374 VIRUS, ASTM D6319, CE, Food Contact Safe
APPLICATIONS	Health examination, Blood draw, Inject, Dentistry, Laboratory Analysis, Chemical industry
MOQ	6000 Pairs (Bulk Supply)
