

PU1501

- **Exceptional Tactile Sensitivity:** Engineered for precision handling of small parts and specialized tasks in the high-tech industry.
- **Ergonomic Precision Fit:** Anatomically designed to provide a superior fit and maximum dexterity, reducing hand fatigue during delicate operations.

SPECIFICATIONS	DETAILS
GAUGE	13 Gauge (High Sensitivity)
LINER MATERIAL	Polyester, Carbon Fiber (Conductive)
COATING MATERIAL	Polyurethane (Finger Tip Only)
ESD PERFORMANCE	Certified Anti-Static (EN16350)
SIZE	7/S - 11/XXL
CERTIFICATIONS	EN16350, EN388 (002XX), OEKO-TEX Standard 100, Sanitized, CE Cat II, UKCA
APPLICATIONS	Electronics, Precise Industry, Mechanical Assembly, Maintenance, Automotive, Logistics
MOQ	6000 Pairs
