

W1102

- Superior Sandy Grip: Premium sandy latex coating ensures an exceptional grip and secure handling in both dry and wet environments.
- Enhanced Thumb Coverage: Fully coated thumb provides a larger protection area and increased durability in high-wear zones.
- Thermal Protection: Ultra-soft brushed liner offers reliable cold protection for short-contact tasks in low-temperature conditions.
- Optimal Breathability: Features an open-back design for superior ventilation, keeping hands dry and comfortable during extended use.
